KINGMAN KOLONY

Mrs. Elliott and sons, Clarence and Ray were Ontario visitors Sat-

Mr. and Mrs. E. F. Pratt of Ironside, Oregon were down to the Snake and Owyhee valleys the last of the week returning early this week with a load of supplies.

The lower grades with their teacher, Miss Vera Neeb, were giv-en a picnic, Wednesday in Big Bend Park. Several cars were provided by members of the P. T. A. and a thoroly enjoyable day reported.

Other members of the P. T. A., under the direction of Mrs., M. L. Parsons, provided and served a delightful luncheon to Mrs. Prichett, the High School, and pupils finish-ing examinations, Friday afternoon. Miss Neeb is leaving for her home

in Ontario and Mrs. Prichett and family for Vale. Leslie and Alvin Shafer motored

to Payette last Saturday. Mrs. Conrad Martin and daughter Bernice gave a dinner party last Friday evening in honor of Mr. Martin's forty-eighth birthday. The guests were Mr. and Mrs. G. C. Reed and family and Mr. and Mrs. W. L.

nice Martin being hostess of the

evening.

The Young People have been working some weeks securing new members, the losing side to give the class a treat. The girls are scheduled to give the boys "the treat" next Thursday evening. The Class ordered this week thirty folding chairs for their class room, and are planning other other terroreverses. planning other improvements.
Sunday last the girls intermediate

are planning to have the room the very neatest and prettiest room in the building.

The Secretary of the S. S. report- 1920. ed an attendance of fifty-seven last Sunday.

Rev. Blom of Ontario held ser-vices in the Colony Sunday after-

Dinner guests in the R. R. Over-street home Sunday were; Mra. Editha Scott, Mrs. John Ennis of Sioux City, Iowa, and Mr. and Mrs. Maurice L. Judd of Parma. Herbert Hickox attended, as dele-

gate, the called meeting of poultry men of this section interested in the plans of co-operative marketing of poultry and eggs. This meeting was called as a result of instruction given at a Southern, Idaho and Eastern Oregon poultry men's meet-ing at Boise, April 39. It is the plan of those back of this movement to form an organization here in Eastern Oregon and Southern Idaho which will affiliate with the Pacific Poultry Producers Association of the northwest. Do you want to improve the poultry and egg situation -you will be given an opportunity but do not expect someone else to do it all. Herbert Hickox of the Colony will be glad to give any in-formation on the subject. Any ranch woman handling a flock of 60 lay-ing hens can probably become a member of this association.

You may be mighty proud now. Someday you will be proud now. Someday you will be mighty humble, but it will be too late. You should be ashamed to say-I am too busy to attend God's house. Wake up!

FOR SALE - Jersey bull calf. Golden Glow Chief. Registered from high class stock. For quick sale phone or see C. E. Dibble, Payette.

Old oil should be drained from the crankcase at regular intervals and replaced with fresh oil.

This statement is made because engine operation causes road dust, carbon, fine metal particles and other impurities to accumulate in the crankcase oil. The gritty oil circulates through the engine, impairing its performance, and ultimately leads to rapid depreciation and repairs.

These careful instructions from the manufacturer are often disregarded; cleaning the crankcase is a job generally disliked.

To meet this need Modern Crankcase Cleaning Service has been established by first-class garages and other dealers co-operating with the Standard Oil Company. These garages and dealers use Calol Flushing Oil, - the scientific agent that cleans out old oil, dirt, grit and other impurities and does not impair the lubricating efficiency of fresh oil used. The cleaned crankcase is refilled with the proper grade of Zerolene.

Look for the garage or dealer displaying the sign shown below,—it means "Better operation and longer engine life."
